

CALIFORNIA RAWAI

PREMIUM CLUB HOUSE

PHILOSOPHY

NEW LEVEL *Of Life*

California Rawai project is a premium clubhouse created for those who appreciate a high level of comfort, sophistication and exclusivity. A space in which all the necessary infrastructure for a comfortable and modern way of life has been created.

The main emphases were made on luxury comfort, wellbeing, privacy, security and safety, combined with the latest technologies in construction and high-quality materials for apartment interiors and public spaces.

QUALITY | COMFORT | AESTHETICS

CALIFORNIA RAWAI

LOCATION

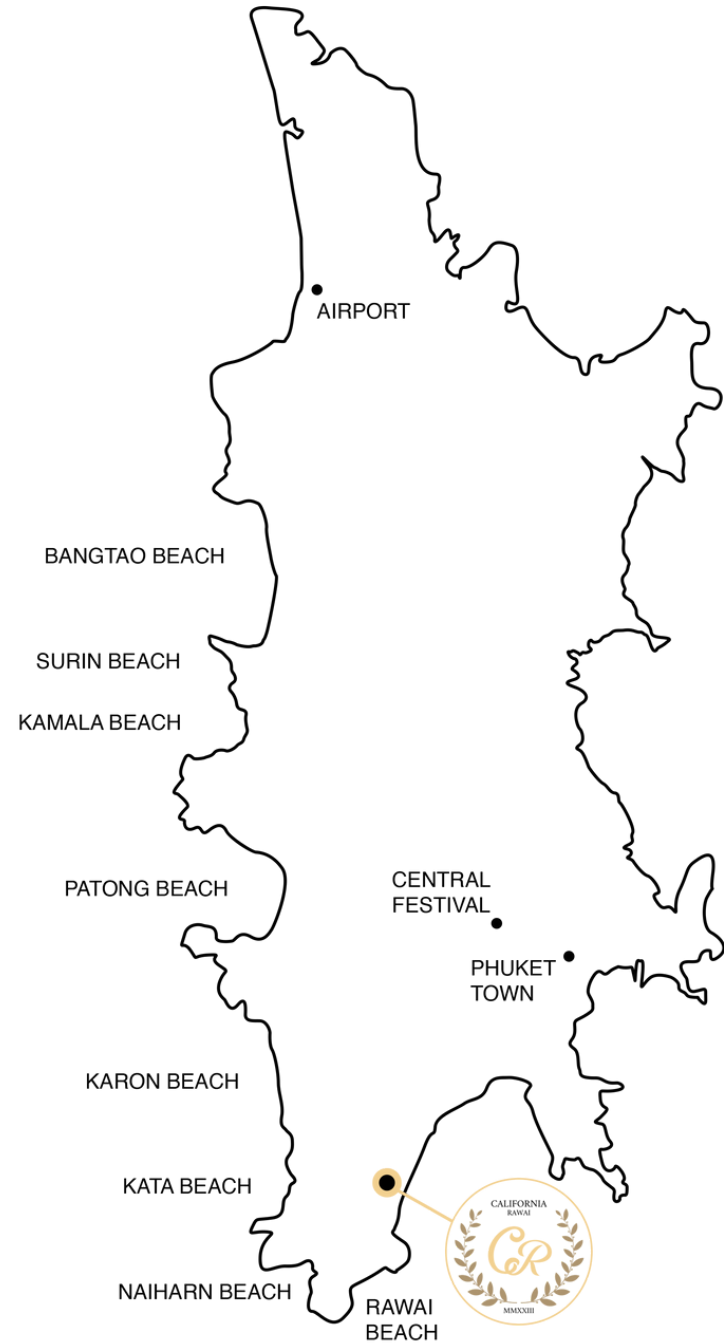

IN THE HEART OF *Rawai*

The project is located in the heart of Rawai district, 5 minutes drive from all necessary infrastructure and surrounded by magnificent nature. The land plot is in the ownership of California Rawai Co., Ltd.

Rawai is one of the most preferred areas to live on the island of Phuket.

The clubhouse is located only 8 minutes away by car from the Nai Harn beach, which is considered the best beach on the island and one of the most picturesque beaches in Asia.

Easy access to shopping, fitness centres, restaurants, spas and other amenities.

ARCHITECTURE

INNOVATIVE *Architecture*

A team of architects and designers from «Grad M» company, led by founder and head architect Andrey Bornyakov was engaged to realise the project.

The concept of this project represents modern trends in architecture and actively integrates natural elements. California Rawai creates a unique space that combines modern technology and harmony with nature, providing a comfortable and peaceful atmosphere for all its users. The project becomes a symbol of balanced coexistence with the environment and aspires to promote care for nature and energy efficiency.

THE FUTURE STARTS TODAY

ARCHITECTURE

APARTMENTS WITH *Terrace*

The house provides apartments with spacious terraces, combining the comfort of tropical nature with the opportunity for private outdoor relaxation.

LOBBY

EXCELLENCE IN *Details*

The modern finishing of the main lounge continues the stylistics of the facade architecture. The lobby has a cosy and stylish atmosphere.

Reception, concierge service and a daily shuttle bus to Nai Harn Beach are offered for the convenience of residents and their guests.

INTERIOR

INTERIOR *Design*

California Rawai Residence presents 46 unique apartments

The interior concept is based on natural shades combined with quality materials that form the soft natural palette of the space. Expressive décor elements accentuate the details, while thoughtful layouts are ideal for everyday life in the tropics.
